

Action For Kids

Dear friend,

Congratulations! You've taken the first step towards completing an exhilarating parachute jump!

Everything you need to complete your jump is enclosed in this pack including your reservation and sponsorship forms so it really is very easy for you to take part.

Action For Kids is a small national charity that works with a range of physically and mentally disabled children, young people and their families. We aim to create independence for these young people – providing such things as mobility aids through to work experience training. As a small charity any money you raise really will make a huge difference to our work. (I hope you don't mind but I've enclosed our latest newsletter to tell you a little more about us.)

The enclosed parachute information has been written for us by professional events organiser Skyline who receive a flat fee for organising the jumps for us. Skyline are the specialists in arranging these jumps for charities so do ring them directly if you have any questions about the jump itself – you can contact them on 0870 345 8000.

I hope you enjoy reading through the information on the different types of parachute jumps available - we ask you to raise a minimum amount of sponsorship in order for you to jump for free (from £280 depending on the type of jump you choose).

Please do take a few minutes to read through the information – and I really hope you decide to give it a go! Just remember that you will have a great time and be making a difference to young lives at the same time.

We look forward to hearing from you soon!

The AFK Events Team
020 8347 8111

PS. To make collecting your sponsorship easier why not set up an on-line sponsorship form – just go to www.justgiving.com/charity/actionforkids

10,000 ft Freefall Parachute Jump!

What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a worthwhile charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

Points to remember:

- Jump and training completed in one day
- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 feet - just like the professionals
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone
- Landing controlled by your instructor
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

What must I do to qualify for a free jump?

All you have to do is raise £375 (or more!) for Action For Kids by asking your friends and colleagues to sponsor you, using our specially designed sponsorship forms which you will find at the back of this information pack. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £375 sponsorship and remember, every penny you raise over the minimum will be further contributing to Action For Kids and giving you the chance to make an exhilarating freefall parachute jump for FREE!

What do I do next?

Read the pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and then simply choose a date for your jump and complete the enclosed reservation form. After that all you have to do is make an exhilarating Tandem Skydive from 10,000 feet for FREE!

Experience the exhilaration of a 10,000ft Tandem Skydive!

Static Line Parachute Jump

What's involved?

Unlike a tandem jump you get to jump solo from up to 3,000 feet having had a full day's instruction from fully qualified instructors. What's more this is an ideal way to find out if you want to progress in the sport of parachuting and of course raise valuable funds for Action For Kids at the same time...

What does the jump involve?

This jump is called a static line jump because from the moment you step into the aircraft you will be securely attached to a 'static line' which is designed to automatically open your parachute for you as you exit the aircraft. The jump is in two parts: On the Saturday you will undergo a minimum of six hours training on all aspects of the jump - the equipment used, how to exit the aircraft, how to check your canopy, reserve drills and most importantly how to control your landing. On the Sunday you will perform the jump solo from up to 3,000 feet using either a new square parachute canopy or a traditional round one. If the weather prevents you from jumping your training is valid for at least two months giving you plenty of time to return to the centre to complete your jump. Completion of this training course is the first step to becoming a fully qualified skydiver and all students receive a British Parachute Association approved certificate.

Static Line Jump: Points to remember:

- Thorough training on the Saturday for your jump on the Sunday
- Choose from the traditional round canopy or the newer square canopy which allows you to steer!
- Jump solo from up to 3,000 feet closely supervised by professional parachute instructors
- Securely attached to a 'static line' designed to automatically open your parachute for you
- The first step to becoming a qualified skydiver if you use the latest square parachute design
- Official certificate to prove that you have completed a solo static line jump and training course

All you have to do to receive your static line jump for free is to raise a minimum of £280 or £350 (see following page) for Action For Kids. To book your static line jump simply read the enclosed pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and complete the enclosed reservation form.

Accelerated Freefall – Solo Skydive!

What's involved?

If you're really adventurous why not take the first part of a professional skydivers course – also known as Accelerated Freefall (AFF Level 1 for short). You'll have a full day's ground training from two qualified instructors before you skydive solo from 10,000 feet – just like the real thing!!!

What does the jump involve?

Learning to skydive solo is a big challenge and you will start with a full day's training including practical and classroom sessions covering all areas of making a solo skydive from 10,000 feet! On the second day, once your instructors are satisfied that you are ready, you will climb aboard the aircraft to be taken to your jump altitude. Whilst you will skydive solo (ie with nobody attached to you) your two instructors will jump with you and be by your side until approximately 5,000 feet when you pull your parachute canopy. From that point you will steer your parachute on your own but will be guided to the dropzone by ground control who will talk you down all the way. All in all Accelerated Freefall is as close as you can get to the real thing!!

What do I do next...

AFF: Points to remember:

- Full training on the first day to cover all aspects of making a solo skydive on the following day
- Classroom and practical sessions prepare you for the experience of a lifetime
- Freefall from 10,000 feet with two instructors by your side
- Once your parachute is open you will be talked down by ground control
- The first level of a professional skydiver's course
- Official certificate to prove that you have completed Level 1 AFF!

To make your Accelerated Freefall Jump for free all you need to do is raise £525 for Action For Kids which is fantastic value considering you are taking the first part of a professional skydiving qualification! To book your jump simply read the enclosed pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and complete the enclosed reservation form in this pack.

Which jump should I choose?

It's completely up to you and as long as you raise the minimum sponsorship money you will get to jump for FREE! If you want to experience the exhilaration of 120mph freefall you should choose either a Tandem Skydive or AFF (choose a Tandem if you don't want to become a professional just yet!); if you want to jump solo with the option to progress in the sport you should choose a Static Line Square or AFF; if you simply want to experience the sport and jump solo then either Static Line jump will suit your needs.

The following table summarises the four types of jump you can choose from and indicates the principal differences between them:

	Tandem Skydrive	Static Line		Accelerated Freefall
		Square	Round	
Minimum Sponsorship Level	£375	£350	£280	£525
Jump Altitude	10,000 ft	3,000ft	2,000ft	10,000ft
Duration	1 day	2 days	2 days	2 days
Jump solo or with instructor	With an instructor	Solo	Solo	Solo
BPA approved certificate	✓	✓	✓	✓
Comments	Ideal if you want to experience 120mph freefall without having to do a day's training	Perfect if you want to jump solo and also take the first steps towards jumping regularly		First level of a professional skydivers course!

What do I do next?

Simply decide which type of jump you would like to do and read the following pages entitled 'Important Information' and 'Paying Your Sponsorship Money'. After that all you have to do is choose a date for your jump and complete the enclosed reservation form and then make a thrilling parachute jump in aid of Action For Kids!

Action For Kids

120mph freefall or the freedom of a solo jump – you decide!

Important Information

When can I jump?

We have organised a select number of dates for you to choose from, which are listed on the enclosed reservation form. If you are unable to jump on any of these dates please contact us on the number below to discuss the possibility of jumping on alternative dates.

Where is the airfield?

There are over twenty British Parachute Association approved centres across the UK – please see the enclosed map for their location and which jumps they offer. Once we have received your reservation form we will do our best to place you at your nearest centre but if this is not possible we will contact you to discuss the alternatives.

Are there any restrictions on age or health?

	Tandem Skydive	Static Line Square	Static Line Round	AFF
Age	16 and over	16 to 55 inclusive	16 to 55 inclusive	16 to 55 inclusive
Weight	Under 15 stone	Under 15 stone	Under 13 stone	Under 15 stone

Please note for an AFF or static line jump your weight should be in proportion to your height and some centres have lower weight limits - please contact us for details. The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Pre-existing physical conditions will not necessarily prevent you from taking part but please do inform us of any physical conditions as this may affect the location of your jump; if you are in any doubt then please contact us for further information.

What about insurance?

You will automatically be covered for up to £2,000,000 third party insurance but this will not cover you for personal injury. Should you wish to take out cover for personal injury you should either arrange this through your own broker or you can contact us on the number below and we will send you a Personal Insurance Form.

How do I book my place for a FREE jump?

Simply complete the enclosed reservation form and send it to the charity as soon as possible and certainly no later than the latest booking date indicated on the form. Please note you must also provide a £60 booking deposit made payable to 'Skyline' which can be taken out of your minimum sponsorship money.

Paying your sponsorship money

You have four weeks from the date of your jump before your money to charity is due. Full details of our sponsorship payment system are included on the following page entitled 'Paying Your Sponsorship Money'.

Finally

We sincerely hope that you decide to give it a go - it has often been described as a thrilling 'once in a lifetime' experience and is an excellent way in which to raise funds for such a worthwhile cause. There will be lots of other people trying parachuting for the very first time on the day, so you are welcome to bring along your friends and family so they can watch you on a day you will simply never forget: The day you perform an exhilarating skydive or parachute jump in aid of Action For Kids.

Paying Your Sponsorship Money

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. At all airfields you must pay for your jump and training on the day but your money to charity is not due until four weeks after you have completed your jump. Remember, as long as you raise the minimum sponsorship level for your jump (£375 for a tandem, £350 for a static line square, £280 for a static line round and £525 for AFF) you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

Booking deposit

Whichever airfield you jump at you must provide the standard £60 booking deposit but at the following airfields an additional amount is required as follows:

- Honiton (Devon) £25
- Maidstone (Kent) £50

These additional amounts can also be taken out of your sponsorship money but must be sent in advance together with your standard booking deposit - full details are on the enclosed reservation form.

Tandem skydive

Payment for your jump will be required on the day which will be approximately £180. You must also provide the remaining sponsorship money due to the charity but this can be postdated by up to four weeks. Please note that any personal cheques must be supported by a valid cheque guarantee card. This postdated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to the charity.

Static line (both *Square and Round*) and AFF (Accelerated Freefall)

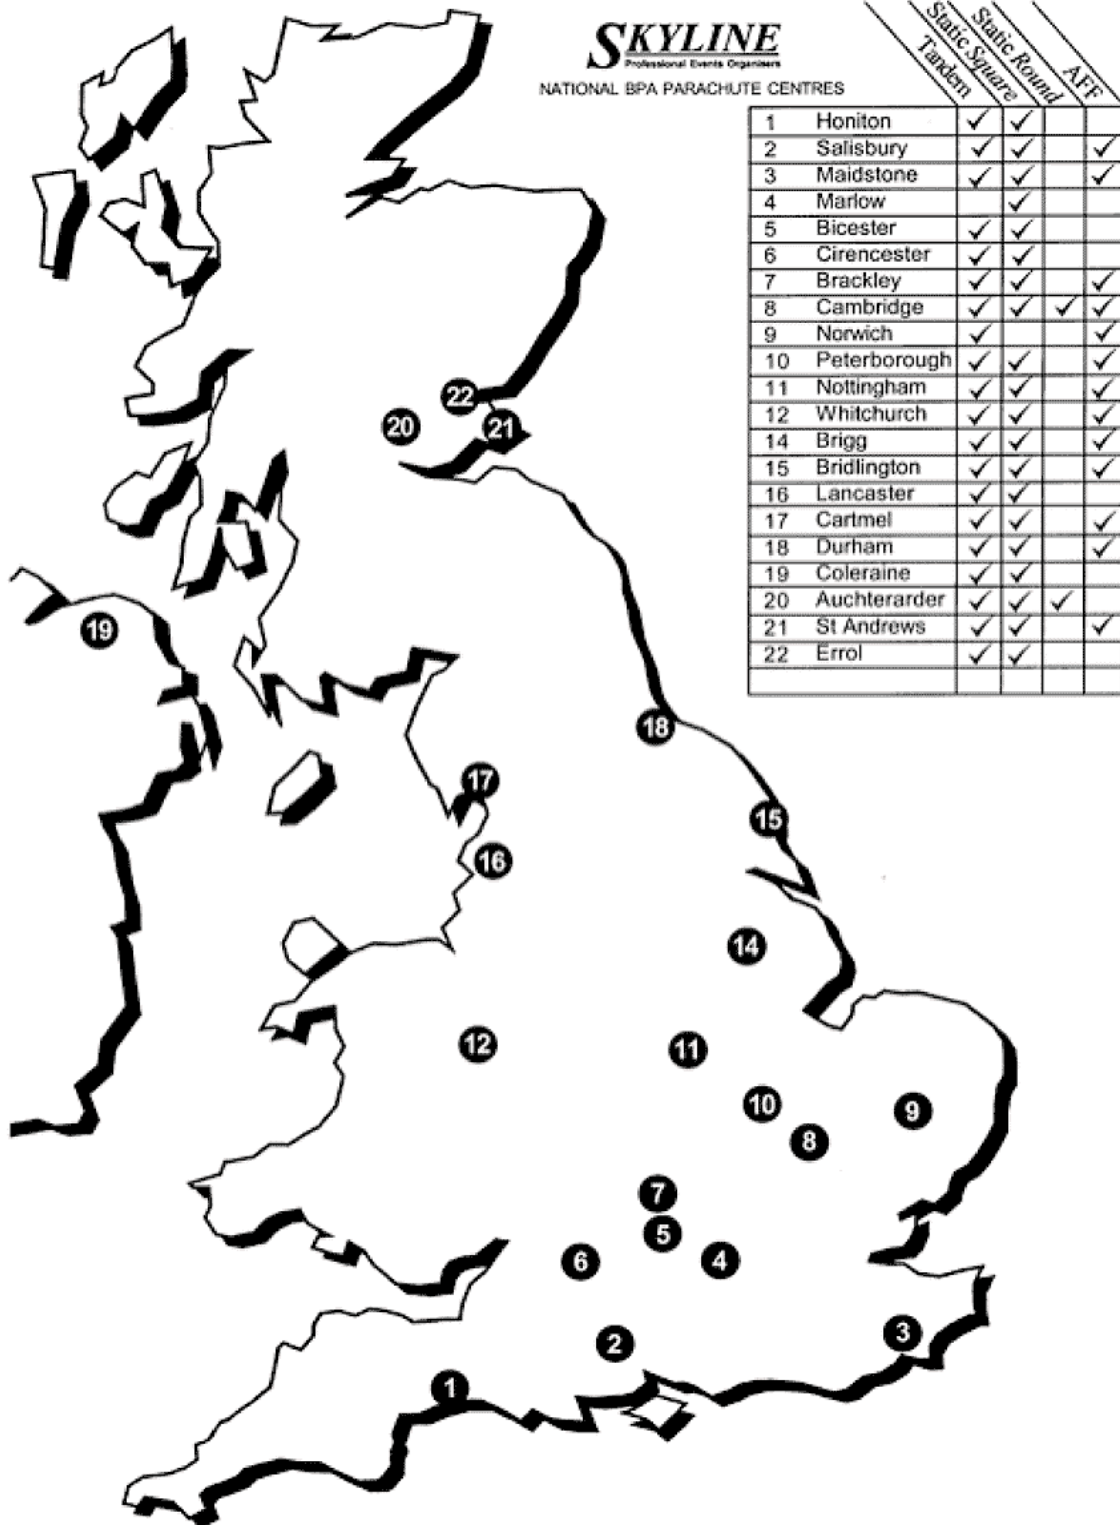

All airfields require payment on the day of your training (Friday/Saturday) which will be approximately £160 for a square jump, £95 for a round and £300 for an AFF. You must also provide the remaining sponsorship money due to the charity on the day of training but this can be postdated by up to four weeks. Please note that the payment to the airfield is for your training and is totally non-refundable even if you do not jump for whatever reason. However your money to the charity will only fall due four weeks after you have actually completed your jump – any personal cheques for postdated sponsorship money must be supported by a valid cheque guarantee card. This postdated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to the charity.

Precise instructions on how to operate the above payment system (including how much to pay the airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your reservation form and booking deposit.

Note: All jumps require you to send in your reservation form and booking deposit before we can start organising your jump for you - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!

Reserve your place today!

Name.....

Address.....

.....

Please tick your chosen event:

10,000 feet Tandem Skydive

3,000 feet S-Line Square

2,000 feet S-Line Round

10,000 feet AFF Level 1

The person named above has agreed to take part in the above event in aid of Action For Kids, (Registered Charity No. 1068841). The aim is to raise as much money as possible through sponsorship and we would value your support. £10 would go a long way but any amount will be gratefully received; part of the money raised pays for the tuition and jump costs, whilst the remainder goes directly to the charity. If you are a tax payer, please tick the Gift Aid box so that we can claim back any tax you have paid on your donation – currently 28p for every £1 you donate.

We, who have given our names and addresses below, and who have ticked the box entitled 'Gift Aid', want the above charity to reclaim tax on the donation detailed below, given on the date shown. We understand that each of us must pay income tax or capital gains tax equal to the tax reclaimed by the charity on the donation.

Please be as generous as you can - thank you for your support
